SUMMARY

Web designer moving into frontend development. Strong HTML, CSS and JavaScript.

EXPERIENCE

Web Designer, Pretend Media House (2023 - present)

- Hand-coded 30+ landing pages in semantic HTML and CSS.
- Wrote vanilla JavaScript for sliders, modals and form validation.
- Built two WordPress themes from Figma designs.

Intern, Nonexistent Agency (2022)

- Converted PSD designs into responsive HTML and CSS.

PROJECTS

recipe-site - static site, vanilla JavaScript, fetches a public API.

portfolio - CSS grid and flexbox, no framework.

SKILLS

HTML, CSS, JavaScript, Bootstrap, Figma, WordPress, Git

Completed an online 'Intro to React' course in 2024, no professional React work yet.

EDUCATION

BA Graphic Design, Fictional Arts College, 2022
